

Jim Donaldson

Director of Multifamily

EXPERIENCE

Mr. Donaldson has over 30 years of experience in commercial and multifamily construction industry.

Prior to joining State Building Group, Mr. Donaldson served as Director of Pre-Construction with Crosland Company Multifamily Residential and Capstone Construction as Northeast Manager of Multifamily and Student Housing.

State Building Group is a division of State Utility Contractors, Inc. Incorporated in 1984, State has furnished construction services to a diverse clientele throughout the Southeast United States, including national development firms, local and national retailers, international industrial firms, financial institutions, transportation firms, and individual real estate investors and owners.
